Re: County Grader Shop Removal

The Florence Rural Fire District Board has begun the process that will eventually lead to a new Fire Hall. The Board has decided that the new station will be erected on the site that the current Fire Hall exists on. In order to proceed with the plans, the Florence Rural Fire District is asking that the County removes the County Grader Shop from this site within 90 days of this letter.

We would appreciate notification of when you feel this request can be completed, so that we may move forward with the future plans for our Fire District. If you have any questions or concerns, please feel free to contact me at 880-3566. Thank you in advance for your attention to this matter.

Sincerely,

Jim Shreve  
Board Chair  
Florence Rural Fire District
